

C6 Pro

6.5" PREMIUM CEILING SPEAKER [100V|8Ω]

-  100V / 8Ω Input
-  HF Driver Protection
-  Frameless Design
-  Detachable Logo
-  Environment Equalizer
-  Magnetic Grille

The C6 Pro is a ceiling speaker with an elegant design, intended to be installed in false ceilings, walls or panels. It combines modern style with outstanding audio performance that fills your room with powerful warm and richly detailed sound. The magnetic low-profile grill provides a smooth and seamless installation. The speaker can easily be painted to match or contrast with your ceiling.
