

Product Detail Page

PA-900S

Number: 17.2080

Mono PA power amplifier

- 1 x 120W_{RMS}
- Silent operation due to fanless cooling concept
- 2-way tone control
- Switchable low cut filter
- Speaker outputs via screw terminals
- Feed-through output (link)
- Mains operation or 24V emergency power operation
- 482mm (19") rack installation with supplied mounting brackets

Technical Facts

Output power	120W _{RMS} , 160W _{MAX}
Mic input	-
Aux input	765mV (line)
Phono input	-
Speaker output	4 Ω , 70/100V
Frequency range	50-15,000Hz, ±3dB
Equalizer bass	±10dB/100Hz
Equalizer midrange	-
Equalizer treble	±10dB/10kHz
S/N ratio	> 80dB
THD	< 2%
Power supply	230V~/50Hz/300VA, 24V = /9A
Admiss. ambient temp.	0-40 °C
Dimensions	482x88x275mm, 2RS
Weight	9.5kg
Special feature	low cut filter
Microphone	-
Aux, phono	(signal input) 1 x XLR, 1 x screw terminal
