PROCAB BASIC SERIES CATALOG

Procab is the Belgian brand that specializes in premium quality cables and cable accessories for a large variety of applications. The brand is well-known for developing innovative and adapted solutions for the pro AV as well as the home markets for over 18 years.

Inside this catalog, you will find an extensive range of premade audio, video, data and power cabling with matching adapters that can be used for fixed installations as well as mobile applications. Besides a wide selection of microphone and signal cables, the audio category also covers multicore stage blocks and speaker cables. Other categories cover HDMI and Midi cables, HDMI, VGA, DVI and DMX adapters as well as different types of power cables.

Procab takes great pride in the fact that all its cables are submitted to rigorous testing before they are launched. All manufactured cables comply with global and EU environmental regulations concerning hazardous substances.

Multi stageblocks

The Procab multi stageblocks are made of solid metal.

In the audio recording and entertainment fields, stageblocks with 16 or 24 XLR connectors are commonplace, but Procab also offers smaller versions with 8 or 12 XLR connectors as well as a bigger model with 40 XLR connectors.

Every stageblock comes supplied with necessary connectors and matching transport/protection bag.

When you need to cover a long-distance to a stage with a lot of cables, you'll find our stageblocks will be the ideal solution.
