Product sheet

MADE IN
FRANCE

Theva N°2 is the newcomer to the Theva range. This three-way floorstanding loudspeaker has 5" (13cm) midrange and bass speaker drivers, and exudes natural elegance thanks to its sleek, slim design. Its Aluminium/Magnesium TNF tweeter delivers a mellow, clear treble. The combination of this tweeter and the three other speaker drivers, all positionable thanks to the tilted stand, offers realistic yet spectacular listening experiences, and an uncompromising bass.

Key points

- Slim, compact floorstanding loudspeaker perfect for any interior thanks to its 5" speaker drivers
- Slatefiber technology for dynamic, rich and balanced listening experiences
- Better sound image thanks to Time Alignment; sound focused on the listener
- Refined and harmonious design; light stand and grille for the Light Wood finish
