

THEVA CENTER

Product Sheet

MADE IN
FRANCE

Theva Center is the centre speaker from the Theva line. It is the perfect companion for the loudspeakers in your Home Cinema system. Boasting an Aluminium/Magnesium TNF tweeter and two Bass/Midrange Slatefiber speaker drivers, Theva Center enhances the clarity of dialogues from any film, with an impressive level of detail. It has been designed to be placed on a piece of furniture or on its stand (available as an optional extra), enhancing interiors with its elegant, refined design.

Key points

- Slatefiber technology: clear and detailed dialogues
- Loudspeaker base tilts for perfect sound rendering
- 3 sophisticated finishes to choose from; blends seamlessly into elegant surroundings
